 - Training presentations were given by B. Malinis and S. Hess.
 - The [training presentations](#) are available using the link or you may request the file be sent to you.
- * B. Malinis presented the 2026-2027 revised CRC Meeting Calendar to correct the Monday March 8, 2027 meeting date to Thursday, March 4, 2027.
- * MSC A. Malinis/ C. Sanchez-Volatier to approve the revised 2026-2027 CRC Meeting Calendar.
- * B. Malinis discussed the Fall 2026 Membership chart and requested members review it for errors/corrections. Please email errors/corrections to B. Malinis and A. Svedberg so the revised chart can be distributed at the September 17, 2026 CRC meeting.
- * CIC will hold its first voting meeting for the semester on Thursday, September 10, 2026.
- * B. Malinis noted that META updates will be discussed in later items on the agenda.
- * The Mesa Academic Senate has not met this semester. No report.
- * C. Kinney informed the committee META places awards alphabetically in the catalog which causes awards to be listed throughout the catalog rather than all together so it is difficult for students to find all the awards in their field of study. C. Kinney made the recommendation of having a page in the catalog that lists programs with all the program's awards. B. Malinis will bring this recommendation to CIC.
- * J. Estep reported the catalog meeting will be on Tues. 9/29/2026 at 3 pm via Zoom. Anyone interested in being on the catalog committee should contact J. Estep.
- * There was no Baccalaureate Degree report.
- * The only committee report was from C. Cox who announced he would like to be replaced on the Program Review Committee but is willing to serve another year if no one comes forward.
- * There was no Ethnic Studies report.
- * B. Malinis explained District GE is a local district process and META now has a box to check if the course is to be considered (or has Cal-CETC).
- * J. Parker reported on the challenges of receiving Cal-GETC approval for a number of Mesa courses. CRC members who would like to review the specific files presented please contact J. Parker.

- * A. Hedekin noted I. O'Connor supports getting the LBAS degrees in the 2027-2028 catalog.
- * There were no updates on ADTs.
- * Information on STEM Calculus & AB 1705 will now come from D. Rubinstein now that J. Bernal is no longer a CRC member.
- * The Phase IIB Courses are progressing to be ready for Fall 2027 implementation, though it is still unclear if Phase IIB is also being held until further notice.
- * There was no update on Attendance Accounting.
- * There is still a challenge with having the Outcomes in Nuventive and then entering them into META, so refer to Nuventive for the most updated Outcomes.
- * District is working on a script in META to include IDEAA (Inclusion, Diversity, Equity and Antiracism and Accessibility) language into courses. A process for CRC members to review continues to be needed.
- * District continues to provide information on the transition from TOP Codes to CIP Codes with the notation that up to 5 CIP Codes may be listed/utilized.
- * B. Malinis noted that Mesa's walk-ins to CIC's September 10, 2026 meeting will include items that were not accepted at the CIC May 14, 2026 meeting.
- * MSC N. Resch/C. Kinney to approve resubmitting May's list of walk ins at CIC's September 10, 2026 meeting.
- * Discontinuance of the Fermentation Program continues to delay the deactivation of the program awards.
- * B. Malinis reported the workshops at the 2026 Curriculum Institute in Sacramento, CA on July 15-18, 2026 were very much worth attending and recommended CRC members to attend the next one which will be in Riverside, CA.
