B. COVID-19 Update	- Jacqueline Collins: We are ready to receive the students on Tuesday. We have distributed over 10,000 N95 masks across the campus via the various schools. Surgical masks are masks all over the campus in preparation for the students' arrival. If you are in a building where you think you don't have enough mask dispensers you want some more you wants more hand sanitizer dispensers, please send Jacqueline and/or Frank Fernandez an email and they will bring them. - We have signage and are printing flyers for the Need a Boost vaccine clinic that is scheduled for March 17th from 10 am to 2 pm, at the same location that houses the student and employee testing. Please spread the word.
C. Quadrangle Update	Quad is near completion, with a few odds and ends to complete. Lance to work with Jacqueline on ordering benches.
D. Emergency Evacuation Map	Jacqueline Collins will be sending out a meeting notice shortly to those of you who have volunteered to be a part of Emergency Evacuation Committee; if you are interested in joining please reach out to Jacqueline.
E. Hazmat Inspection	- We are working on obtaining a waste bio hazardous waste processing permit. - Safety will be doing targeted departmental inspections to make sure past infractions aren't a continued problem. - Mesa chemical hygiene lists have been sent to deans and facilities to get updated.
F. Other Updates	We are working on a gym refresh that will include new bleachers , rebranding, and restroom renovation
